The diagram illustrates a sequence of operations. On the left, two rectangular boxes are stacked vertically. The top box contains the text 'Photon.Pun.Simple.SyncOwner.ApplySnapshot' and the bottom box contains 'Photon.Pun.Simple.SyncOwner.OnCaptureCurrentState'. Both boxes have black borders. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top-left corner of a third box on the right. The arrow from the bottom box points to the top-left corner of the same third box. This third box, which has a gray fill and a black border, contains the text 'Photon.Pun.Simple.SyncOwner.DeferredOwnerChange'.
