

PropertyAttribute

```
classDiagram
    class Photon.Compression.WorldBoundsSelectAttributeAttribute
    class PropertyAttribute
    Photon.Compression.WorldBoundsSelectAttributeAttribute --|> PropertyAttribute
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded class box for 'Photon.Compression.WorldBoundsSelectAttributeAttribute'. It has three horizontal compartments: the top one contains the class name, and the two below it are empty. Above it is a white class box for 'PropertyAttribute', also with three horizontal compartments: the top one contains the class name, and the two below it are empty. A blue arrow with an open triangular head points from the top compartment of the gray box to the bottom compartment of the white box, indicating that 'Photon.Compression.WorldBoundsSelectAttributeAttribute' inherits from 'PropertyAttribute'.
