

Photon.Compression.HalfFloat.  
Half.CompareTo

Photon.Compression.HalfFloat.  
Half.ConvertToHalf

Photon.Compression.HalfFloat.  
Half.operator Half

Photon.Compression.HalfFloat.  
Half.Half

```
graph LR; A[Photon.Compression.HalfFloat.Half.CompareTo] --> D[Photon.Compression.HalfFloat.Half.Half]; B[Photon.Compression.HalfFloat.Half.ConvertToHalf] --> D; C[Photon.Compression.HalfFloat.Half.operator Half] --> D;
```

The diagram illustrates a relationship between four methods. On the left, three white rectangular boxes are stacked vertically. Each box contains the text 'Photon.Compression.HalfFloat.' followed by a method name on a new line. Blue arrows originate from the right side of each of these three boxes and point towards a single gray rectangular box on the right. This gray box also contains the text 'Photon.Compression.HalfFloat.' followed by a method name on a new line. The arrows indicate that the three methods on the left are associated with or point to the method in the gray box.
