The diagram illustrates a flow or dependency. On the left, there are two white rectangular boxes. The top box contains the text 'Photon.Utilities.Settings ScriptableObject.Awake' and the bottom box contains 'Photon.Utilities.Settings ScriptableObject.OnEnable'. Blue arrows point from the right side of each of these two boxes to the left side of a single gray rectangular box on the right. This gray box contains the text 'Photon.Utilities.Settings ScriptableObject.Initialize'.
