

Photon.Pun.Simple.Internal.
NetMessageCallbacks.RegisterCallback

```
graph LR; A[Photon.Pun.Simple.Internal.  
NetMessageCallbacks.RegisterCallback] --> B[Photon.Pun.Simple.Internal.  
NetMessageCallbacks.RegisterCallback]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a black border, containing the text 'Photon.Pun.Simple.Internal.' on the first line and 'NetMessageCallbacks.RegisterCallback' on the second line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box has a white background and a black border, containing the same two lines of text: 'Photon.Pun.Simple.Internal.' and 'NetMessageCallbacks.RegisterCallback'.
