

Photon.Compression.Array
SerializeExt.Write

Photon.Compression.Array
SerializeExt.WriteFloat

Photon.Compression.Array
SerializeExt.Write

```
graph LR; A[Photon.Compression.Array<br/>SerializeExt.Write] --> C[Photon.Compression.Array<br/>SerializeExt.Write]; B[Photon.Compression.Array<br/>SerializeExt.WriteFloat] --> C;
```

The diagram illustrates a mapping or inheritance relationship. On the left, there are two white rectangular boxes. The top box contains the text "Photon.Compression.Array" followed by "SerializeExt.Write" on a new line. The bottom box contains "Photon.Compression.Array" followed by "SerializeExt.WriteFloat" on a new line. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top-left corner of a gray rectangular box on the right. The arrow from the bottom box points to the top-left corner of the same gray box. The gray box contains the text "Photon.Compression.Array" followed by "SerializeExt.Write" on a new line, matching the content of the top white box.
