

UIVirtualJoystick.OnPointerDown

```
graph LR; A[UIVirtualJoystick.OnPointerDown] --> B[UIVirtualJoystick.OnDrag]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The first box on the left has a light gray fill and a black border, containing the text 'UIVirtualJoystick.OnPointerDown'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box on the right has a white fill and a black border, containing the text 'UIVirtualJoystick.OnDrag'.

UIVirtualJoystick.OnDrag
