

Attribute

```
classDiagram
    class Attribute
    class Photon_Pun_PunRPC["Photon.Pun.PunRPC"]
    Photon_Pun_PunRPC --|> Attribute
```

The diagram illustrates an inheritance relationship. At the bottom is a class box for 'Photon.Pun.PunRPC', which is shaded gray and divided into three horizontal sections. Above it is a class box for 'Attribute', which is white and also divided into three horizontal sections. A blue arrow with an open triangular head points from the top section of the 'Photon.Pun.PunRPC' box to the bottom section of the 'Attribute' box, indicating that 'Photon.Pun.PunRPC' inherits from 'Attribute'.

Photon.Pun.PunRPC
