

Photon.Pun.PhotonNetwork.
JoinRandomRoom

Photon.Realtime.Demo.Connect
AndJoinRandomLb.OnConnectedToMaster

Photon.Realtime.LoadBalancing
Client.OpJoinRandomRoom

```
graph LR; A[Photon.Pun.PhotonNetwork.  
JoinRandomRoom] --> C[Photon.Realtime.LoadBalancing  
Client.OpJoinRandomRoom]; B[Photon.Realtime.Demo.Connect  
AndJoinRandomLb.OnConnectedToMaster] --> C;
```

The diagram illustrates a flow of control or data. Two separate boxes on the left, one above the other, have arrows pointing from their right sides to a single box on the right. The top box contains the text 'Photon.Pun.PhotonNetwork. JoinRandomRoom'. The bottom box contains the text 'Photon.Realtime.Demo.Connect AndJoinRandomLb.OnConnectedToMaster'. The box on the right, which is shaded gray, contains the text 'Photon.Realtime.LoadBalancing Client.OpJoinRandomRoom'.
