

Photon.Compression.Compressed
Element.operator==

```
graph LR; A[Photon.Compression.Compressed  
Element.operator==] --> B[Photon.Compression.Compressed  
Element.Equals]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is shaded gray and contains the text 'Photon.Compression.Compressed' on the top line and 'Element.operator==' on the bottom line. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'Photon.Compression.Compressed' on the top line and 'Element.Equals' on the bottom line. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-loop.
